Behance 📌 @Anna_Lomidze

I am a UI/UX designer with years of experience
– an uncompromising perfectionist with a
natural talent for art and an endless
imagination.

EDUCATION

Certificate in UI/UX Design, *Smart Academy*

03/2022 – 09/2022

A comprehensive program covering fundamental and advanced UI/UX design principles, including user research, wireframing, prototyping, usability testing, and design systems. Developed real-world projects and gained practical experience in modern design tools.

Tbilisi, Georgia

Bachelor of Arts in Design, *Tbilisi State Academy of Arts*

09/2017 – 06/2021

Studied fundamental and advanced design principles, focusing on user-centered design, typography, color theory, and interactive design. Gained hands-on experience with prototyping, usability testing, and digital product design. Participated in real-world projects and collaborated with industry professionals to refine skills in web and mobile interface design.

Tbilisi, Georgia

PROFESSIONAL EXPERIENCE

Web User Interface Designer, *Kings Garden*

01/2023 – 07/2024

Focused on creating a visually appealing and user-friendly website to showcase Kings Garden's luxury real estate projects.

Designed intuitive navigation and interactive elements to enhance the customer experience.

Developed layouts that effectively highlighted key property features, investment opportunities, and the project's unique selling points.

Worked closely with developers and marketing teams to ensure seamless integration of design and functionality.

Conducted usability testing to refine the interface and optimize user engagement.

User Experience Designer, *Biblus*

04/2021 – 12/2022

Worked on enhancing the website's user interface to improve customer experience and increase book sales.

Designed intuitive and visually appealing product pages to highlight featured books.

Focused on optimizing navigation and search functionality to make book discovery easier.

Collaborated with the marketing team to create engaging banners and promotional visuals.

Conducted user research and testing to ensure a seamless and accessible online shopping experience.

UX/UI Designer || Product Designer, Svanidze Olive

08/2024 - 02/2025

Designed an intuitive and visually appealing website to highlight Svanidze Olive's premium-quality products.

Tbilisi, Georgia

Focused on user experience to ensure seamless navigation and easy access to product information.

Developed an engaging product display that effectively showcased the brand's heritage and commitment to quality.

Collaborated with marketing and branding teams to enhance online presence and optimize conversions.

Conducted UX research to improve customer interaction and satisfaction with the platform.
